

# HOLIDAY OPS 2022

## 12 WORDS OF TANKMAS

The World of Tanks Holiday spirit is spreading across all of our channels to send you lots of shiny presents! Find the 12 Words of Tankmas and enter the raffle for the chance to be the one lucky winner of **ALL PREMIUM TANKS\*** in the game and many more!

### CONCEPT

1. During the 12 Days of Tankmas, the WoT Community Team will post 12 different words on the EU WoT Channels every day.
2. Those 12 words will be displayed on a picture like the one on the left. ← 👁️
3. Look for the picture on the left on our EU channels every day and find the "Word of the Day".
4. Once you find it, head to our WoT EU Official Discord and write down the "Word of the Day" followed by **your current in-game nickname** in the **"12-words-of-tankmas" channel**.  
(example: Tankmas - DwigT)
5. Once you enter the word in our Discord channel, it will disappear. Worry not, the Discord bots kept it for us. Note that you only have one try, so make it count!

\*The In-game nicknames will be used for reward crediting purposes and will be deleted after 30 days according to EU GDPR regulations.

\*Discord participation is only possible between 12:00 CET and 08:00 CET (UTC+1) every day.

### PRIZES

Every word you enter in the Discord channel will be counted as 1x entry to the prize raffle.
